

Why Sedgwick

Sedgwick is proud to deliver workers' compensation claims management and cost containment strategies to nearly 60,000 hardworking Ohio employers and have the endorsement of more than 340 associations, chambers of commerce, governmental agencies and public sector organizations.

Savings

Our clients **save \$160 million annually** in workers' compensation premiums with our two highest performing savings programs:

- Group rating — More than \$4 billion in savings in the past ten years
- Group retrospective rating — Over \$1 billion has been earned by participants since implementation in 2009

Personalized service

Our experienced colleagues are strategically located across the state, allowing us to respond quickly to service needs while ensuring operational efficiency.

Claims management and hearing representation

Our qualified team of colleagues provide expertise that is unmatched within the industry. We go beyond simple claims management to provide a consultative approach to strategies that will ensure compliance while improving efficiencies, outcomes and overall results.

Technology and reporting

Our proprietary digital platform, viaOne, provides clients with complete, real-time visibility into their claims information. This solution offers a "one-stop" information management program that is unparalleled in the industry.

Educational programs

We offer educational sessions for public and private employers on a variety of topics such as cost reduction strategies, workers' compensation and premium reduction, alternative rating programs, return-to-work strategies, investigation tools, safety and loss control.

Lower rates

Understanding your experience modifier is the key to reducing your workers' compensation costs and measuring how your loss prevention and cost control practices stack up against the state average, as well as others in the industry.

Our clients have an average experience modifier of **66% (34% below base)** as opposed to the industry average of 11% below base; this 23% difference has a direct impact on your premium.
